

Yunnan Hengshui High School calls for a UK partner for a joint pre-university programmes in Kunming , Yunnan

Project Introduction

- Level of the programme: pre-university
- Cooperation model: foundation (namely 1+3)

Brief introduction of Yunnan Hengshui High School

Yunnan Hengshui High School is a newly established private school invested by Changshui Education Investment Group Limited. The high school now is one of the 16 high quality private high schools in Yunan province and about 80% faculty are hired from the reputable Hebei Hengshui High School.

The school started recruiting from 2013 and will start its international programme in the year of 2015.

Criteria on UK partners

- The partner UK institution should be a reputable university or strong in certain academic subjects
- The UK partner will need to contribute teaching resources
- The foundation graduates shall be privileged to the first year of undergraduate study in the partner university

Contact person
