

Partnership with Vinh University of Technology Education on 2+2 higher engineering education programmes

Vinh University of Technology Education (VUTED), founded in 1950s, is a public vocational training institution in the Central Vietnam. VUTED operates under the administrative management of the Ministry of Labour, Invalid and Social Affairs (MoLISA).

VUTED missions include the delivery education and training programmes at Master, Bachelor and Advanced diploma levels to be recognized at regional and international standards. VUTED aims to develop collaboration in education and training at Undergraduate and Master levels with vocational providers and academic institutions in the world.

VUTED has been in partnership with Westminster Kingsway College, City&Guilds and Sector Skill Councils and will visit these institutions this September. They aim to take this chance to meet and explore collaboration with UK universities for a joint training collaboration at higher education level.

- 1. Expected partners:**
One or two higher education part, expectedly in London or surrounding areas.
- 2. Meeting purposes:**
To explore potential partners to establish 2+2 joint training programmes at two levels i.e. Bachelor degree and Master Degree, in the areas of Industrial Electricity, Electronics, Mechanical Engineering, Automation, Information Technology, Accounting, Business Administration, and Vocational Pedagogy.
- 3. Expected outputs of the collaboration programmes:**
Graduates with Bachelor Degree can become either Engineers in relevant industries or Teachers at vocational training providers.
- 4. The delegation members:**
 - Mr Nguyen Hong Minh – Rector
 - Mrs Hoang Thi Minh Phuong – Vice Principal
 - Mr Cao Danh Chinh – Head of Teaching Upskilling Centre
 - Mr Thai Anh Tuan – Chief Accountant
 - Mrs Cao Thi Huong – Coordinator, Interpreter
- 5. Timing:**
VUTED will arrive in the UK on 8 September 2014 and expects to meet with potential partners on 11 - 12 September 2014, after working with existing partners.

Please click to find [an Introduction to VUTED](#) for further information about the university.

UK institutions interested in exploring partnerships with VUTED please contact the British Council by **Wednesday 25 June 2014.**
