## **Hunan University of Humanities, Science and Technology (HUHST) calls for a UK university on joint programmes in Loudi, China**

### **Project Introduction**

- Level of joint programme: Undergraduate
- Cooperation model: 3+1 articulation programmes
- Priority subjects: education, engineering

### **Brief introduction of HUHST**

Hunan University of Humanities, Science and Technology (HUHST), established in 1978, is a state-owned provincial university of higher education approved by the Chinese Ministry of Education. It is located in Loudi, a city in central Hunan province.

The HUHST was established in 1978 and is located in the city of Loudi in central Hunan province. The university currently have a total enrolment of 21,000 including 14,000 full time students. The HUHST has academic strength in Social sciences, Engineering, Economics, Agriculture and Education. Students from the university have achieved prizes such as National Mathematical Module Competition, provincial-level Electric Design Contests, etc.

The University has established partnership with institutions from the UK, USA, Thailand and South Korea.

### **Requirement on UK institution partners**

- The potential partner needs to be a UK-based university
- The potential partner needs to be a top 90 university with-no established partnership in Hunan province
- The potential partner needs to be willing to cooperate for a long-term
- Hopefully the joint programme can start recruiting in summer of 2016
