## WHAT WE DO

We are an independent and non-political organisation, operating in 109 countries, with a global mission to connect people worldwide with learning opportunities and creative ideas from the UK.

We build mutually beneficial relationships between people in the UK and Ghana. We believe in the potential of individuals and in the benefits of internationalism, and we are committed to a policy of equality, diversity and inclusion. Through our work, we create experiences for our valued customers, partners and clients that are welcoming, trustworthy, innovative and contemporary.

We keep our venue pricing competitive in order to encourage individuals and groups, whose strategic vision aligns with ours, to use our venues to help create opportunity in Ghana and worldwide.

A photograph of a balcony with several large, decorative pots containing green plants. The pots are light-colored with blue and brown patterns. The balcony has white columns and a metal railing. In the background, there are trees and a building. The scene is brightly lit, suggesting daytime.
