Generation UK was launched by the British Council in 2013. By 2020, it aims to help 80,000 students from the UK boost their employability, enhance their long-term job prospects, and develop a global mind-set through study and work experience opportunities in China.

### What's On Offer?

#### Internship Placements

Stand out from the crowd by undertaking a two-month internship placement in six incredible cities across China including Beijing, Shanghai, Shenzhen, Chengdu, Qingdao, and Zhuhai.

Whatever your interest, you can intern and gain experience in a range of leading industry sectors such as finance, business, marketing, media, legal, engineering and more!

# Invest in your future by discovering a world of opportunities in China

Interested in working in the fast-paced finance sector in Shanghai, or studying Chinese language in the spice heartland of Chongqing? If so, the British Council has a wide range of funded study and work opportunities for UK students looking to get a head start in their career and develop a global perspective by experiencing one of the most exciting countries in the world!
