Prior to the webinar, you may also enrol to the Prepare to Study and Live in the UK (online course) which will help you to learn about student life in the UK.

Participants will learn about academic requirements, teaching methods (including on-line learning), and course structures and assessment. The course will also provide advice on studying in the English language and practical information about living in the UK.

The course is ideal for incoming international students but is also suitable for current international students who want to improve their skills and knowledge, as well as prospective international students who are considering courses in the UK.

Previous runs of the course have attracted more than 10,000 participants from all over the world, and feedback suggests it can help convert applications and offers to enrolments

#StudyUK is a global campaign that promotes the UK as the first-choice study destination to international students and their influencers. It is the UK's only national-level campaign that showcases the UK's outstanding higher education offering and the life-changing opportunities it brings. It is led and delivered by the British Council in partnership with the UK government's GREAT Britain campaign.
