

# Pre-Departure Briefing: preparing for studying in the UK with confidence. – for students from Southeast Asia

## Friday 13 August 2021

## 1200 – 1400 (UK Time)

### Are you a UK university offer holder or interested in studying in the UK?

Join us for the British Council's pre-departure briefing: preparing for studying in the UK with confidence.

The British Council is organising an online pre-departure briefing in order to provide essential information to all students across Southeast Asia who have received an offer from a UK institution or are planning to study in the UK in the future.

The session includes guidance on how to prepare yourself for your studies and life in the UK and includes topics such as:

- Immigration and passport control procedures
- How to get to schools, colleges and universities
- Student support and safety
- Finance matters and budget planning
- Cultural differences
- Opportunity to listen to alumni and current students in the UK to learn from their experience

Participation in this event is free of charge.

The briefing will be conducted in English.
