

# GREAT Scholarships: 210 Scholarships

**The Study UK campaign is delighted to announce that the bidding for the 'GREAT Scholarships 2024' is now open to all UK higher education institutions.**

The GREAT Scholarships are provided by the British Council as part of the Study UK campaign, which is delivered in partnership with the UK government's GREAT Britain campaign, encouraging people to visit, invest, and study in the UK.

The GREAT Scholarships are jointly funded by the UK government's GREAT Britain Campaign and the British Council with participating UK higher education institutions, targeting **prospective students** from **Bangladesh, China, Egypt, Ghana, Greece, Kenya, India, Indonesia, Malaysia, Mexico, Nigeria, Pakistan, Thailand, Turkey and Vietnam**, who will enroll into UK higher education institutions in the autumn of 2024.

In 2023, the GREAT Scholarships programme was an essential vehicle of the Study UK campaign, offering over **200 scholarships** in partnership with **49 higher education institutions** (HEIs) across the UK. The scholarships were promoted through social media channels and a paid search campaign, generating over 4.4 million clicks to the Study UK's GREAT Scholarships pages and over **321,000 clicks to UK HEI websites**.

## Objectives

- significantly increase the number of opportunities for students from Bangladesh, China, Egypt, Ghana, Greece, Kenya, India, Indonesia, Malaysia, Mexico, Nigeria, Pakistan, Thailand, Turkey and Vietnam (the scholarship markets) for UK HEI courses in 2024
- enhance the reputation and promote the high-quality of UK higher education to student audiences in the scholarship markets
- reinforce the message that the UK continues to welcome the brightest and best international students.

## Benefits for UK institutions

This initiative will provide a great opportunity for UK higher education institutions to raise their profiles and increase exposure in the scholarship markets. In addition, the British Council will bring:

- experience of managing the GREAT scholarships and working with funding partners
- a strong alumni engagement element to a scholarship programme, leveraging the potential of the existing Study UK Alumni Awards and other alumni activity
- a proven track record with other scholarship programmes.

All scholarships that are funded under this initiative will be named as '**GREAT – [X University] Scholarship – [Country Name] 2024**' and will be promoted in integrated marketing campaigns running in the scholarship markets for six months from October 2023 to March 2024.

The campaign will cover:

- global online marketing activities – [GREAT Scholarships](#) page on Study UK website; paid advertising; social media and email newsletter
- national marketing campaigns in the scholarship markets from autumn 2023
- offline marketing activities and events that the British Council plans for these markets from autumn 2023, including education exhibitions, education agent workshops and regional digital campaigns.

The British Council will work with participating HEIs and use both digital and print media channels to ensure all scholarship opportunities are effectively promoted to target students.

All participating HEIs are expected to further promote the scholarship opportunities through their own channels.
