

UK Open Day

Cities: Bangalore and Coimbatore

Dates: Week of 27 November 2023

After the success of UK Open day in West India (Mumbai and Pune), the British Council is organising a schools tour to the cities of Bangalore and Coimbatore. Through this tour UK HEPs will get a chance to interact with potential students who are interested in studying overseas and will be able to talk to school counsellors/teachers about courses in the UK and student support facilities.

We are delighted to invite UK higher education providers (HEPs) to join us for the **‘UK Open Day in Indian Schools’**. UK HEPs will:

- Choose to participate in the tour across strong student mobility belt in South India
- UK HEPs will interact with school counsellors, conduct workshops with counsellors and students, meet and engage students and gain an understanding of the Indian UG market over a week.
- Build networks and relationships with some of India’s top schools and their counsellors and leaders
- Will promote the UK as a whole and position the UK’s world class universities to school counsellors, students in schools and
- UK HEPs will develop and deliver workshops and sessions for counsellors and students to engage with the students who inspires to visit the UK.

Format:

- The one-week tour will visit 2 cities. The tour will engage top schools where students typically choose to go abroad for higher studies and have a good career counselling culture, as well as emerging mobility-source schools.
- There will be no hard selling of individual UK HEPs and their courses. However participating UK HEPs will get a chance to talk about their institution and create awareness about their brand to key influencers and students during the tour.
- UK HEPs are encouraged to bring their alumni who are perhaps based in these cities to join the sessions and talk about their UK experiences
