Introduction about your institution	Phenikaa K-12 School is a happy school that inspires creativity in the younger generation of Vietnam, based on the educational philosophy of Humanity – Collaboration – Creativity. Students are holistically developed in both knowledge and skills, equipped with a solid foundation in education, foreign language proficiency, and technological capabilities, as well as essential 21st-century skills. This helps them become the best version of themselves, confidently embrace their role as global citizens, and continuously learn to realize their dreams. The school aims to become a high-quality Vietnamese institution, pioneering educational innovation and leading in STEM-oriented education and training.
