

Yunnan Vocational College of Sports seeks UK partners for collaborations

Yunnan Vocational College of Sports (云南体育运动职业技术学院) is looking for UK partners to develop partnership programmes on faculty exchange and teacher training first, while other initiatives and programmes listed below as next step.

Form of cooperation

In terms of cooperation form, Yunnan Vocational College of Sports is open for discussion with UK partners interested, and happy to take partners' suggestion, based on mutual respect and agreement. Below are possible forms to consider at initial stage:

- faculty exchange and teacher training (Sports Training, Sports Education, Sports Health Care and Rehabilitation, Fitness and Management, Sports Health Guidance, Motion Data Analysis)
- co-construction of High-altitude Football Institution, High-altitude Hypoxia Sports and Health Workshop, as well as other programmes on exploring travel and management

Benefits for the UK partners

This provides an opportunity for the UK universities to:

- establish long-term partnership with Yunnan Vocational College of Sports, with potential for expansion into other fields such as research, faculty exchange, teacher training, etc.
- attract more domestic and international students
- enhance recognition and reputation in China
- establish alumni association and social network in China

Areas of responsibility for the two collaborating parties

The UK partner university will be expected to work with Yunnan Vocational College of Sports to:

- develop the curricula for the joint programmes together with Yunnan Vocational College of Sports
- provide qualified teaching staff for the joint programmes

Yunnan Vocational College of Sports will be responsible for:

- promoting and recruiting students for the programmes
- providing qualified teaching staff as well as the required teaching premises and facilities for the joint programmes

About Chinese University

Yunnan Vocational College of Sports was established in 1964, The name of Yunnan Vocational College of Sports was adopted in 2004 with the approval of Yunnan Provincial People's Government.
