A young woman with short, light pink hair and black-rimmed glasses is the central focus. She is wearing a grey long-sleeved top and a red strap bag. She is looking down at a tablet computer she is holding. In the background, there are other people, including a woman with long dark hair sitting at a table to the left, and a man and another woman looking at something together to the right. The setting appears to be a professional event or office with blue and white banners in the background.
