

CALL FOR EXPRESSION OF INTEREST FOR SCOTTISH HIGHER EDUCATION INSTITUTIONS**Study UK Connect Pakistan – Students’ visit to Scotland, UK**

British Council Pakistan’s study familiarisation programme will bring a group of approximately 20 students from a recognised university from Pakistan to Scotland in July/August 2019 for five days. The objective of this programme is to introduce Pakistani students to international education in Scotland, explore different courses, UK application procedures and become acquainted with international culture and community through study experiences, discussions and workshops held in Scottish higher education institutions.

As part of this programme, a Scottish institution hosting the students’ delegation will deliver a five day study - programme focusing on leadership skills, social entrepreneurship, management skills and communication skills.

Mission objectives and ROIs:**Trip objectives:**

1. Facilitating Pakistani students to experience life as international students in Scotland, UK
2. Introducing the students to international education and related challenges and opportunities
3. Facilitate learning experiences in the UK through interactive sessions/workshops, discussions or classroom sessions on leadership skills, social entrepreneurship, management skills or communication skills
4. Help students in developing abilities and skills to analyse, articulate, present and debate their own views and understanding through practical/project based exercises
5. University tour: introducing students with selected departments and facilities at the university
6. Meeting with the international student counsellors to develop an understanding of different courses, application criteria/procedures and scholarship opportunities
7. Meeting with key student representatives from the international/Pakistani student societies

Benefits for participating Scottish institution:

1. An opportunity for the host institution to showcase the best of their facilities and student culture to a visiting group of prospective international students directly through face-to-face engagement
2. Participating institution can use this opportunity to advise students on applications and international qualifications being offered by them, share presentations, talks, hand-outs and other promotional engaging activities with the visiting students
3. An opportunity for the host institution to directly engage with its target audience in Pakistan
4. As the visiting students will be accompanied with the administrative staff members, parallel meetings with the representatives from External/International Relations Department of host institution could be arranged for possible collaborations and partnerships (no partnership fee involved)
