

# INDONESIAN INTERNATIONAL STUDENT MOBILITY AWARDS

## IISMA

Call for 2022 Participation to Partner Universities | 8 October 2021

# CONTEXT

## INDUSTRY 4.0

Automation: Lost jobs could be more than compensated for by new labor demand

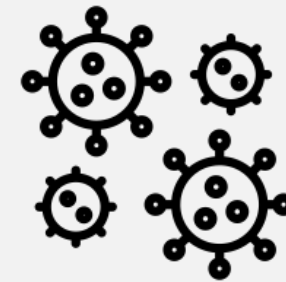

## EMANCIPATED LEARNING

Home university's major as base, enhanced through interdisciplinary courses abroad

## INTERNATIONALIZATION

Learn not only the academics, but also the cultures and customs in Host country

## COVID 19 PANDEMIC

Embrace the challenges, adapt and ensure safe travel and mobility

# CONTEXT

## PAST

- ← Work 9-5 
- ← Work in a corporate office 
- ← Use company equipment 
- ← Focused on inputs 
- ← Climb the corporate ladder 
- ← Pre-defined work 
- ← Hoards information 
- ← No voice 
- ← Relies on email 
- ← Focused on knowledge 
- ← Corporate learning and teaching 

by Jacob Morgan

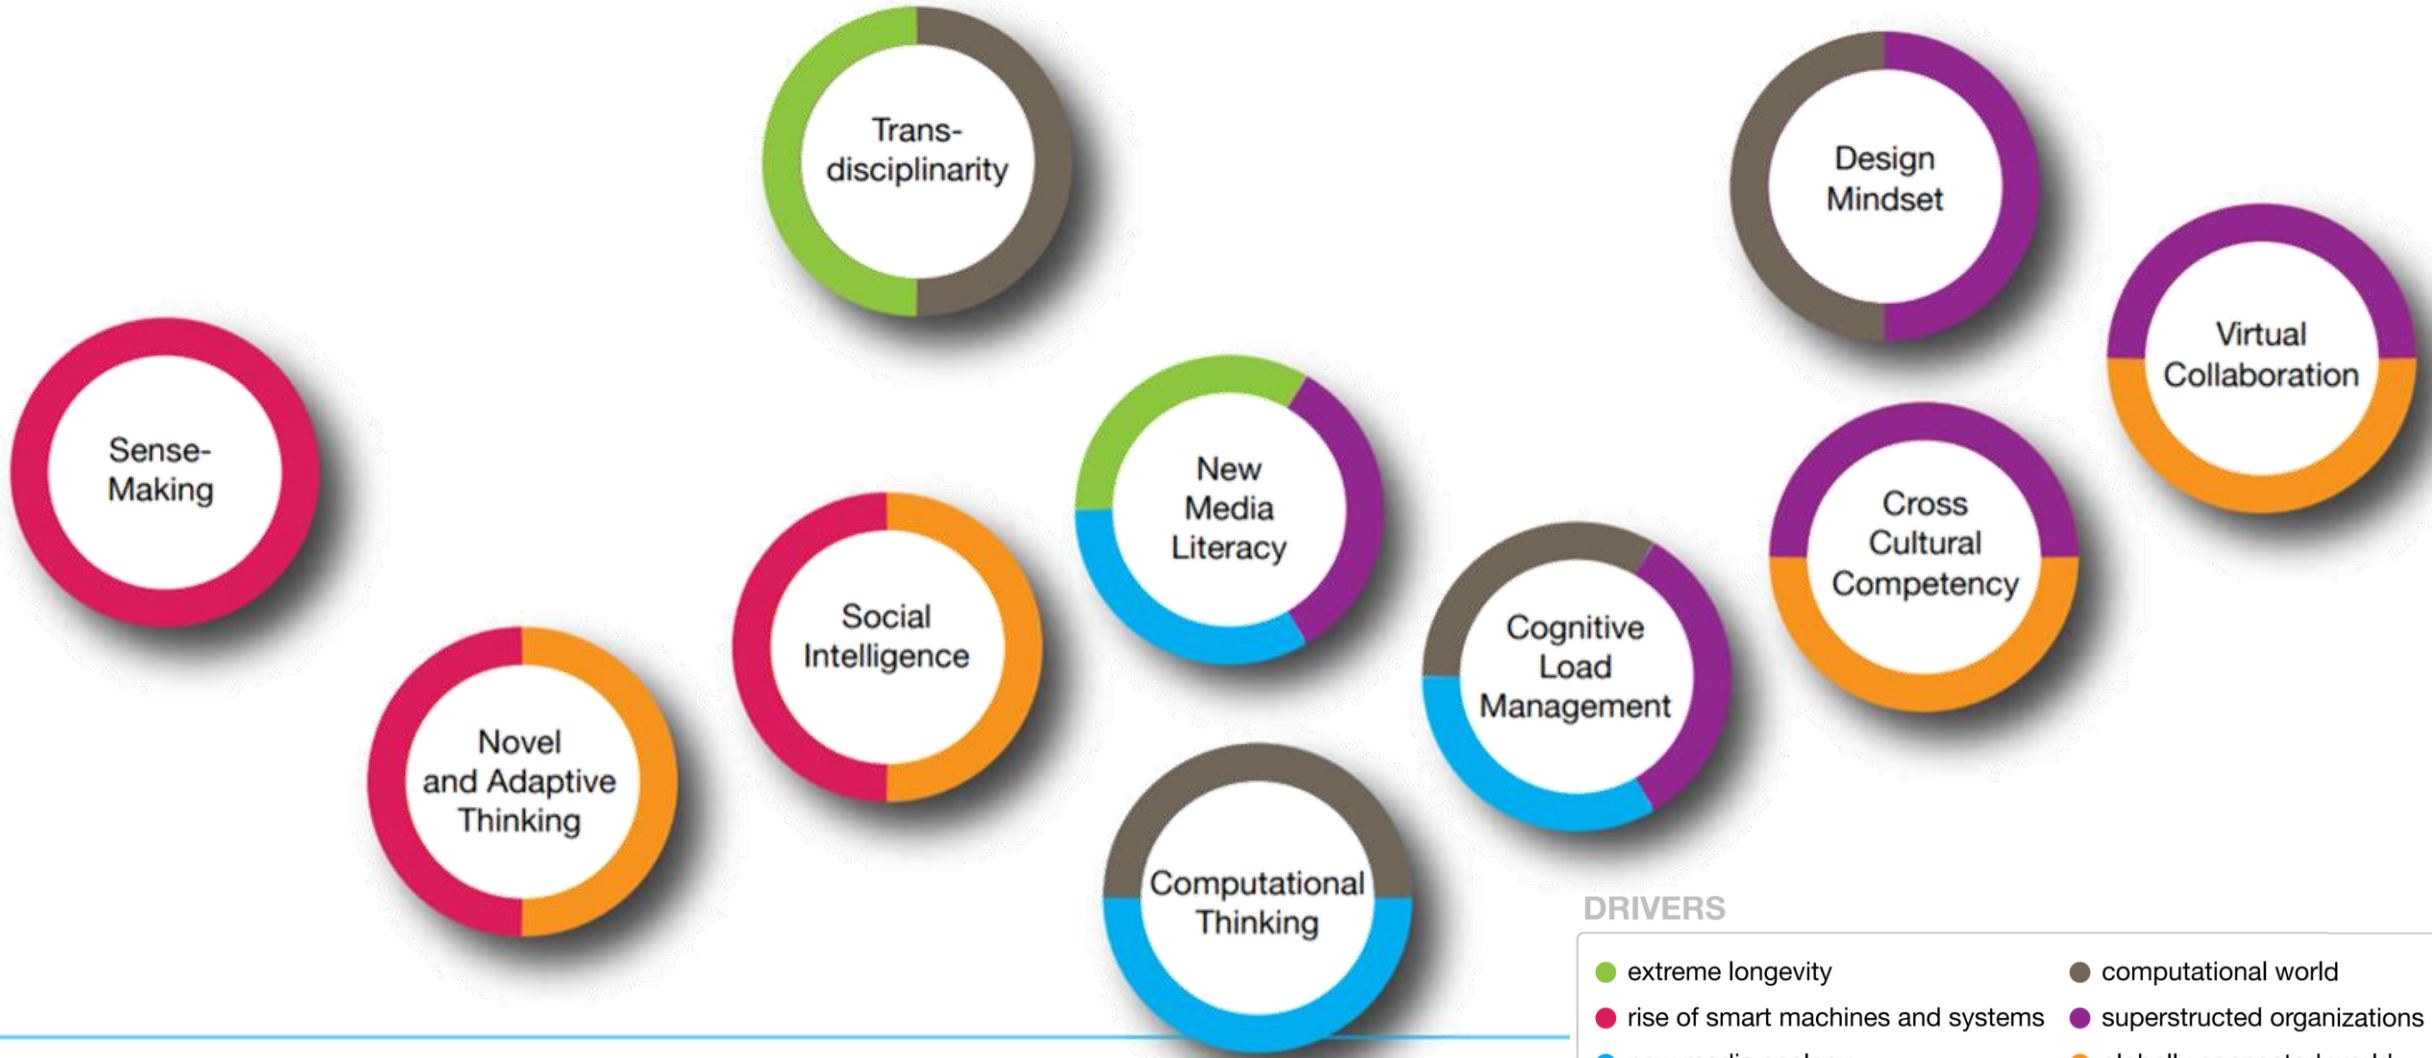

# THE EVOLUTION OF THE EMPLOYEE

## FUTURE

- Work anytime 
- Work anywhere 
- Use any device 
- Focused on outputs 
- Create your own ladder 
- Customized work 
- Shares information 
- Can become a leader 
- Relies on collaboration technologies 
- Focused on adaptive learning 
- Democratized learning and teaching

# ABOUT IISMA

Indonesian International Student Mobility Awards is the Government of Republic of Indonesia scholarship scheme to fund Indonesian students for mobility program at top Universities overseas.

Undergraduate students could spend one semester (4-6 months) at the overseas partner university to study, to experience the host country's culture and undertake practical assignments to enhance their skills.

The scheme is centrally managed by Directorate General of Higher Education, Research and Technology (DGHERT), Ministry of Education, Culture, Research and Technology (MoECRT) and is open for undergraduate students from all Indonesian higher education institutions under DGHERT.

# Universities Preference

## INTERNATIONALLY RECOGNIZED

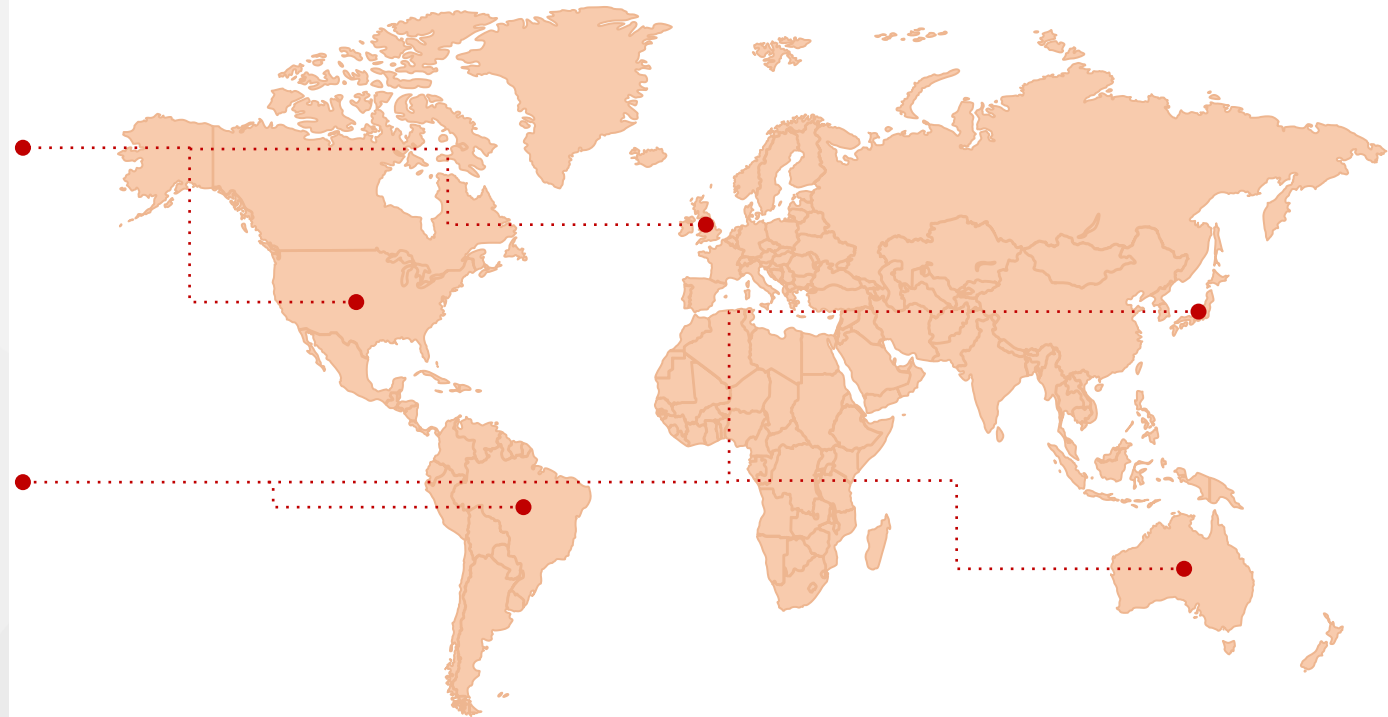

University reputation based on QS 2022  
Rangings standard

## COUNTRY & REGION

Selection from different countries to  
enhance program diversity

## PROGRAM VALUE

Host university's ability to provide programs  
and courses that match criteria set by  
MoECRT

## Criteria for Partner Universities - General

IISMA partner university must:

- Be accredited/recognized in their country
- Be ranked in top 5 in their country or in top 300 QS 2022 Ranking
- Experience in hosting international students, preferably Indonesian students
- Offer courses in English
- Be flexible in developing the program

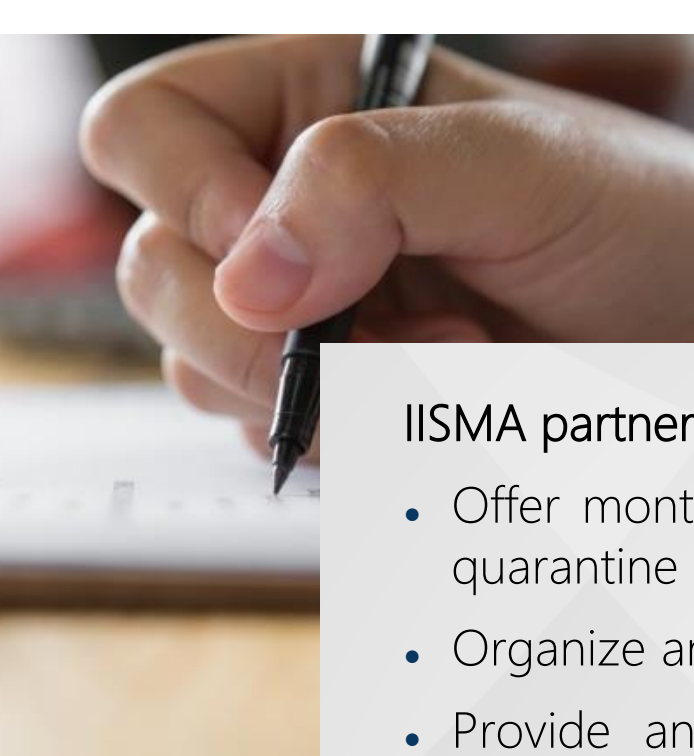

# Criteria for Partner Universities - Specific

## IISMA partner university MUST:

- Organize undergraduate level classes/courses with the following requirements:
  - Students take **3 – 4 courses** for one semester
  - The courses must meet **IISMA's expected learning outcomes**
  - Students spend one semester (**4 – 6 months, 16 meetings per course**)
  - Students can learn any subjects of their interests **beyond** their field of study at home university.
- Provide **transcript, certificate of participation and student progress report** issued upon completion.
- Provide enrollment requirements such as GPA and English Proficiency.
- **Accept TOEFL iBT, IELTS and Duolingo Test.**
- Agree to accept list of IISMA awardees. **No additional selection process** by host university required.

# Criteria for Partner Universities - Specific

## IISMA partner university MUST:

- Offer monthly-payment accommodation (**without meal plan**) for IISMA Awardees, as well quarantine if your government does not provide it.
- Organize and facilitate cultural events for the students.
- Provide any necessary services for international students. (e.g., pastoral care, airport transportation, student counselling, student buddies/mentors orientation co-curricular/extra-curricular activities, accommodation, travel information and immigration).
- Agree to avoid disputes resolution through any court and international arbitration; and agree to resolve any disputes through **mutual consultation**.
- Agree to finalize contract of IISMA one month after receiving the draft.

# Courses Sample

Students can learn any subjects of their interests beyond their field of study at home university

## Nanyang Technological University

- Engineering Solutions by Design Thinking
- Venturing Into Entrepreneurship
- Intercultural Communication
- Language, Technology, and the Internet
- Effective Communication in the Global Workplace

**10**

Subjects offered per university

**3-4**

Subjects allowed for student to choose

## The University of Edinburgh

- Scottish Studies: Conceptualizing Scotland
- Origin and Diversity of Life
- Environmental Engineering and Sustainability
- Contemporary Issues in Health and Wellbeing
- Currents: Understanding and addressing global challenges

Study at the same class with the local student

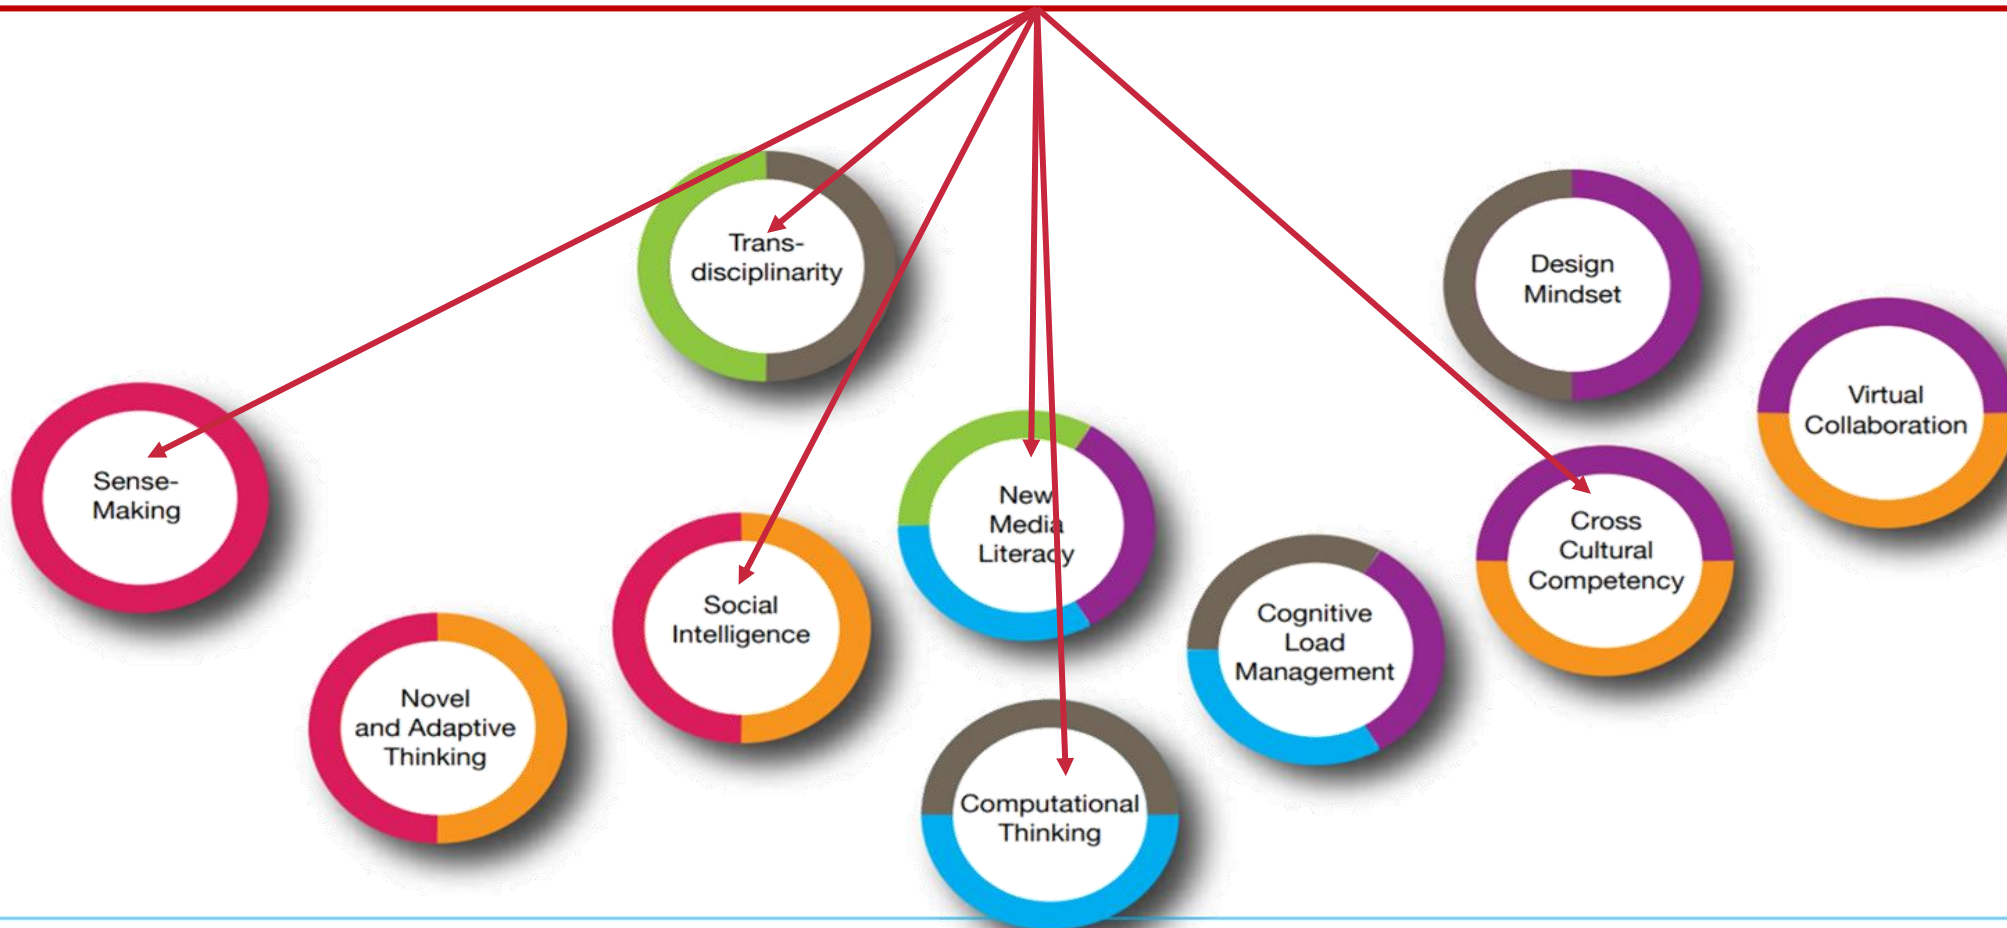

# Courses Sample

## Visualizing Society (4 Units)

Course description:

Analysis and visualization of historical and contemporary data about populations and societies using R. Critical exploration of visual communication of information about people over time and critical assessment of role of data collection and analysis in societies.

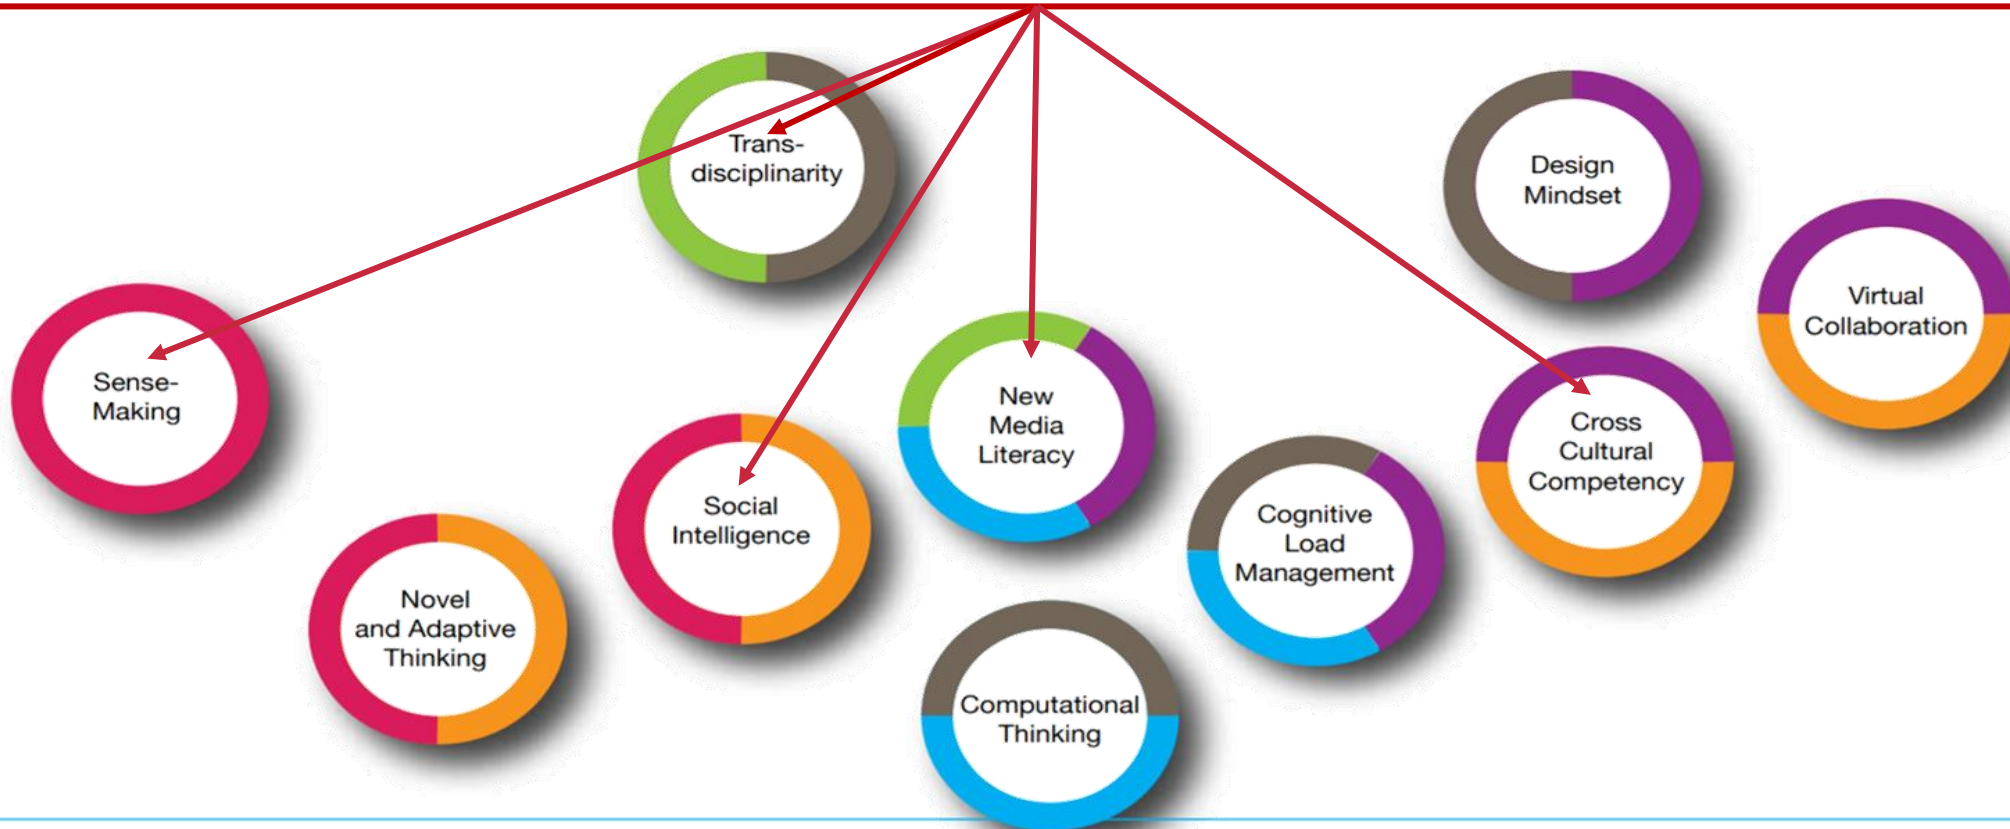

# COURSES SAMPLE

## Scottish Studies: Conceptualizing Scotland (20 credits)

### Course description:

An introduction to the study of culture, society and tradition in Scotland, with the emphasis on de-constructing competing conceptions and images of the nation. Theoretical approaches to the investigation of cultural construction, representation and expression are introduced through heritage, literature, folklore, music, song, visual art and the popular media. Students are also invited to consider the political context of cultural representation and investigate the interface between culture and industry.

## Invitation

Interested partner universities to fill the online form through
