ILACS - INTERNATIONAL COUNTRY STUDIES INSTITUTE

ILACS is UEH Premier Education, Research, Informational Institution for International Studies

- To promote research/publication exchanges among scholars from UEH and other nations on economics issues
- To coordinate student exchange programs with our global partner universities
- To prepare UEH students for careers in the public and private sectors in positions related to international organizations.
- To establish links between ILACS and multinational enterprises through our CEO Experts Programs

ILACS – CEO EXPERTS PROGRAM

Background:

- Vietnam maintains diplomatic relations with 184 countries throughout the world and attracts large volume of FDI from many countries every year.
- While many foreign investors have found Vietnam as an attractive destination, the lack of knowledge about Vietnam economies policies, laws, culture, environment has kept them from bigger investment into the country.
- Understand those needs, ILACS has developed the CEO Experts Program since 2009, custom designed for each country, to help business owners and investors from that country to have a better understanding about those topics as well as to build a business network among them.

ILACS – CEO Experts Program

Description

- Custom design for each foreign country business owners and investors in Vietnam

Structure:

- 2 semesters/6 months/13 weeks

Focus

- 1. Bus. management skills 2. VN Economic environment/laws
- 3. VN Business Culture 4. Expert Report
