Digital Trends and Needs of English Teachers in China 29 June 2022

Dear Sir/Madam,

The British Council China is excited to offer you the opportunity to join us for a new China Insight Webinar on Digital Trends and Needs of English Teachers in China on **Wednesday June 29th at 16:00 – 17:15 (Beijing time) / 9:00 – 10:15 UK time.**

- This event will present some of the key results of the 2021-2022 British Council – Trinity College London led English Connects landscape study that explored ‘digital trends, challenges and needs of English language teachers across China, South Korea and Japan’.
- This event will focus primarily on insights into the needs and trends of teachers in China, noting differences between both urban and rural areas, and will highlight some of the key areas emerging from the study where digital solutions can support practitioners on the ground.
- The final study will be published in July 2022.

The event schedule can be found below:
