The Education UK Exhibition comes early for Maktab Sains PSBS students! On Saturday, 20th February 2016, the Education UK Exhibition was held in the college's auditorium and study hub in the afternoon (1pm to 3pm). As many as 38 universities and colleges were seen presenting and educating the students of Maktab Sains on courses offered in their respective universities. Students were able to learn about the environment, teaching styles and prices of the tuition fees of the universities. Students from Year 9 to Pre-U 2 left the hall with Education UK tote bags, pens, pen drives, notebooks and eagerness on applying to a UK university or college.
