I am delighted to invite you to the **UK Alumni Conference and Study UK Alumni Awards 2022-23**.

This will be an excellent opportunity to meet inspirational UK alumni, and celebrate their outstanding achievements. We will start the event with an Alumni Conference, where alumni chapters across India will come together to network

and discuss their work and future plans. At the event, you will be able to build professional network and celebrate your UK connection with other alumni, and education leaders present.

More details on the programme, guest speaker and award ceremony will be shared nearer to the date.

There is no registration fee to attend the event. However, outstation participants are expected to arrange and cover their own travel. All participants will be required to make their own way to the venue.

We look forward to seeing you!
