

Pre-departure Briefing for UK-bound students 2021- Live webinar

Singapore

Join the British Council Pre-departure briefing for students based in Singapore to pick up practical tips on essential pre-departure preparations. Listen to speakers from UKVI, the UK-Singapore Students' Council, and the Singapore Global Network as they share useful information about studying and living in the UK.

The **Pre-departure briefing** is an annual event organised by the British Council in order to provide essential information to all students who have received an offer from UK institutions for further studies.

Representatives from British Council, UK Visas and Immigration (UKVI), the UK Singapore Students' Council (UKSSC) and the Singapore Global Network (SGN) will be at this event to provide crucial information and updates on:

- preparations for travel, including finance and insurance matters
- the visa application process
- what to expect when students arrive in the UK
- life as a student in the UK
- connecting with fellow Singaporeans in the UK, on and off campus
- the new Graduate route will would enable students to work in the UK after their studies
- availability of vaccines for international students.

Students and parents will have the opportunity to pose questions to the speakers during this live event!
