

TRƯỜNG ĐẠI HỌC KINH TẾ - LUẬT
UNIVERSITY OF ECONOMICS AND LAW

Assoc. Prof. **NGUYEN TIEN DZUNG**
Rector

For the University of Economics and Law (UEL), the student's success in study as well as in professional career is the main training purpose. All our staffs and lecturers have entirely devoted themselves to ensure the best educational environment to students. We are indeed engaged to create an open and friendly atmosphere so that our students could develop their great potential. In order to provide the society with good citizens in terms of social responsibility, we keep guiding students to promote and defend traditional values and to acquire humanity's wide knowledge.

The University of Economics and Law (UEL), a member of Vietnam National University - Ho Chi Minh city (VNU-HCM), was founded in 2000. It has been consistently characterized by a creative and energetic academic environment.

Determined with the goal of being recognized to be a research-oriented university, UEL pursues scientific activities and covers knowledge in the fields of Economics, Management, and Law. Accordingly, UEL has constantly enhanced the quality of training and actively participated in resolution of socio-economic issues of our country and businesses. UEL has also been vigorously and profoundly engaged in educational and scientific activities on regional and international scale.

Located on the campus of VNU-HCM, our institution has got all facilities in favorable conditions for teaching, doing research and studying. With HCM city's energetic pace of life, students can get lots of opportunities to improve themselves and their future careers. UEL aims at providing students with up-to-date knowledge so they can achieve their own goals.

MISSION

We contribute in the social development and progress by way of training, researching activities and offering high quality services in the fields of Economics, Management, and Law.

VISION

*Becoming an internationally standardised training university;
Being a center for scientific research and policy consultation with high reputation in Vietnam with regards to Economics, Management, and Law;
Being one of the most regionally and internationally reputable universities.*

TRAINING PROGRAMS

UEL provides high quality training programs in the fields of Economics, Management, and Law. Program design is carried out in accordance with scientific and modern criteria for the purpose of international integration.

The academic year, starting in September, is divided in two semesters: the first one from September to December and the second one from January to May. Students enjoy two vacations respectively during the Tet and in the summer. UEL also holds supplementary semesters and summer semesters for those who want to improve their knowledge and shorten their courses.

PARTNERS

NATIONAL

UEL has already established cooperative relations with more than 800 businesses and social organizations for the development of consulting, training, career-orientating and recruiting activities. More particularly, UEL has been engaged in strategic collaboration with the following partners:

INTERNATIONAL

UEL has been devoted in wide and profound collaboration with the following partners:

Others: Fulbright, AUF, AUT (New Zealand), Libres de Bruxelles (Belgium), Benedictine (US).

Dormitory

Most of the UEL students live in the dormitory of VNU-HCM. This is the biggest university dormitory of the country, capable of accommodating over 60,000 students.

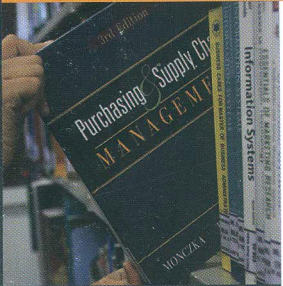

It is equipped with modern living facilities such as a Health Care Centre, a Sports Centre, Public Services, and a bus service for student transportation.

In addition, students can take part in useful activities held by clubs, teams or groups at the dormitory.

Extra-curricular Activities

Students can participate in many activities of the community. The exciting extra-curricular activities make an ideal environment for students to develop their necessary skills.

UEL has a lot of clubs, teams such as academic clubs to enhance their specialized knowledge; students' preferences clubs are not only a good place to cultivate their aesthetic awareness but also an interesting recreational section.

Library system

With thousands of abundant book titles, the UEL library belonging to the Central Library of VNU-HCM can satisfy lecturers' and students' need of studying and researching.

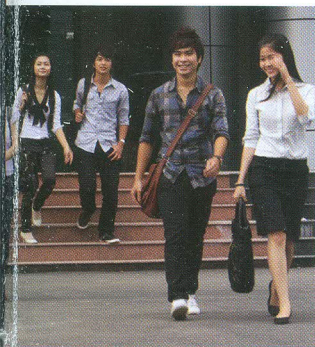

The library network has access to the Internet and learning resources from international libraries and magazines.

At the Central Library, students can learn or have academic exchange in groups at the rooms of specialized subjects which are fully equipped with facilities such as overhead projectors, sound systems and so on.

Student community

With over 10 years' history of establishment and development, UEL has trained more than 10,000 Bachelors, Masters and Doctors whose qualifications and skills are highly appreciated.

At present, there are over 7,000 students studying and joining social activities at the university, many of whom are international ones contributing to the diversified student community.
