

South Asia Venue Hire options

The British Council's Services for International Education Marketing (SIEM) in South Asia presents a range of flexible and diverse meeting and events spaces in the region for UK Institutions. Institutions can make use of British Council space for various engagement activities with students, agents, alumni and local institutions. Our experienced local staff is able to provide a personalised service taking care of your technical and logistical requirements for each event. Please find below our menu of all available facilities currently available in the region.

This list will be updated regularly to reflect new space becoming available under our refurbishment projects.

A picture gallery is given below for your reference.

Category I - Large spaces

- Ideal for seminars, workshops, counselling, interview sessions and pre departure events.
- Audio Video and Internet facilities are available in the majority of countries. In India it is available only in few locations on British council Laptops.
- Catering can be organised on request.
