

Participation and Payment:

● Registration and Payment

Following the receipt of the registration, we will send you the confirmation and invoice by email. Payment should be made by the date indicated on the invoice. The registration can only be processed once full payment is received. As the workshop may be fully booked before the registration deadline of October 11, 2023, "first come, first pay and first served" policy applies.

● Feature Your Institution: Seminar Presentation Opportunity

Separate 30-minute presentation sessions to highlight your institution and PhD programs are available on-site. Space and time slots are very limited, so early reservations are essential.

For rates and details,
please refer to the Registration & Contract

Participation Guidelines:

1. Only regionally accredited academic institutions could be represented at the workshop.
2. Institutions may be represented by authorized delegates such as faculty professors, advisors, lecturers or in-house recruiters. Delegates should be qualified to introduce the PhD programs, curriculums, scholarship and all relevant admissions policies etc. to the students.
3. No third party recruiters are accepted. The PhD Workshop exclusively promotes direct delegate-to-candidate communication.
4. Only two delegates are permitted any time at one table during the workshop. If more than two delegates are expected, an additional table should be booked.

How to Register?

Visit the official website www.phdchina.org for online registration, or complete the enclosed Registration & Contract and email to huangtao@ceaie.edu.cn or chenhanyu@ceaie.edu.cn

A Tale of Two Cities Resumes

— Get Engaged and Inspired with more Fresh Talents at the PhD Workshop...

Discover China's 10,000 Brightest Minds

According to the Chinese government, there will be still the ongoing policy of selecting and funding around 10,000 brilliant PhD candidates for Full PhD Programs and Joint PhD Programs, from top universities throughout China for overseas PhD study or research in excellent universities and research institutions. Joining us at the PhD Workshop China is a great opportunity to find these talented individuals for your programs or projects.

A Platform for Success: 75% of Delegates Back in 2023.

The PhD Workshop China values feedback from professors and delegates to make further informed decisions. Through the Delegates Evaluation Survey, a significant number of attendees have interacted and engaged with numerous PhD candidates: more than 40% of professors have interviewed with 11 to 20 candidates. With 75% planning to come back again in 2023, this makes the PhD Workshop a reliable platform for you to join and recruit target PhD students.

Return to In-person: Make Interviews More Efficient

With the COVID situation in China improving a lot and international travel becoming more feasible, we are full of effort and vigor to prepare for an in-person PhD Workshop in Beijing and Shanghai in 2023. This would provide all of you a unique opportunity for face-to-face interviews and meetings with top-notch candidates for your excellent PhD programs and research projects, which makes the interviews and meetings more efficient.

Uniqueness of Smart iSchedule Appointment System

The PhD Workshop China focuses on professor-to-candidate direct communication for recruiting right students to relevant PhD programs. To enhance this process, an iSchedule system was created in 2009. This smart system allows delegates not only to preview candidate registration information such as resumes and research proposals, but also screen them and schedule one-on-one face-to-face interviews and meetings with selected candidates, to make the recruitment and participation more productive.
